REPLY PURSUANT TO 37 C.F.R. §1.111

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This Reply is responsive to the Office Action dated August 12, 2003.

Concurrently filed herewith is a Terminal Disclaimer.

Applicant: Gredone et al.
Application No.: 10/081,466

REMARKS

In the office action, claims 1-37 were rejected under the judicially created doctrine of obviousness-type double patenting in view of U.S. Application Serial No. 09/990,060. A Terminal Disclaimer has been filed herewith to overcome that rejection.

Rejection and entry of this amendment is respectfully requested.

Respectfully submitted,

Gredone et al.
